1<sup>st</sup> TIME CAMPERS

# What Do Explorers Do?

As an Explorer, your daughter will spend two days and two nights living like a real LBMC camper, making new friends and sampling new skills as she gets her first taste of sleepaway camp. During the day, Explorers experience a broad range of activities available to Bryn Mawr campers. Your daughter will play group games with our Adventure Challenge staff, swim in our heated pools, create a unique project in arts and crafts, play tennis on the tennis courts and play soccer, softball or newcomb on one of our many playing fields. We design a special program that gives our Explorers a taste of all the new experiences she'll have as a full-season Bryn Mawr camper. Each activity is structured to help Explorers get a feel for camp and have fun in a safe, nurturing and friendly setting.

# EXPLORE

## Lake Bryn Mawr Camp

Bryn Mawr isn't just a place. It's a living tradition, a home away from home, and a community to which girls will return year after year. And there's no better way for a prospective camper to find out what it's all about than to spend a weekend living like an actual "Bryn Mawr Angel."

At Explorers Weekend, girls ages 7 to 9 get a first-hand look at what life is like at Bryn Mawr. From sleeping in a cabin to cheering in the dining hall, from splashing in the pools to tumbling in the gym, this weekend is your daughter's time to explore everything LBMC has to offer.

HAVE A BLAST...

MAKE NEW FRIENDS!

ANGELS

## ***Explore SPIRIT***

Cheering and songs in the dining hall. Friendly smiles and hugs around camp. Evening activities that keep the fun running high after the sun goes down. At Bryn Mawr, spirit is always high — and Explorers will spend the weekend immersed in this lively energy!

Your daughter will explore special only-at-camp treats; like one of our traditional weekly talent shows and a real campfire under the stars (complete with s'mores, of course), a stuffed animal Sunday Brunch and so much more.

She'll experience all this alongside her fellow Explorers — some of the girls who will be her friends and bunkmates in summers to come.

## ***Explore ACTIVITIES***

During Explorers Weekend, your daughter will spend two days and two nights living the life of a real LBMC camper — making new friends, learning new skills and sampling new experiences, just as she will when she comes to camp for a full summer. She will get her first taste of sleep away camp.

Explorers' days are packed with activities: fun on the ropes course, swimming, arts and crafts, tennis, sports and more. Our weekend program has been specially designed to give your daughter a taste of as many Bryn Mawr experiences as possible. The goal: Explore life as a camper in a safe, nurturing and friendly setting.

## *Explore CAMP LIFE*

For a first-time camper, the unknowns about life at sleepaway camp can seem intimidating. That's why Explorers Weekend is designed to replicate life at Bryn Mawr as closely as possible. Explorers sleep in real camp bunks in our West Lodge, where they're grouped with girls of similar age and supervised by experienced, caring staff members. Like all of our cabins, Explorers accommodations have running water, bathrooms and showers.

Explorers eat in the dining hall with our full-season campers, who roll out the red carpet to welcome their weekend guests! We serve three healthy meals and two fun and delicious snacks each and every day — and we guarantee that even the pickiest eaters will find something to enjoy in our dining hall, where we serve fresh fruits and vegetables at every meal (and do our best to meet individual dietary needs).

Our experienced Explorers leadership team is made up of LBMC alumni who are skilled at helping prospective campers settle in happily and make the most of their weekend at camp. Helping them out are members of our key staff, along with some very special assistants: our Leaders-In-Training and Bunk One campers, who look forward sharing their excitement and love for camp with the Explorers.

# SWIM ☆ SPORTS ♥ ART

# A Day In The Life of An Explorer

8:00 a.m. Reveille  
8:30 a.m. Line Up, Raise the Flag & Breakfast
